MEMORANDUM FOR: Personnel of All Schools

SUBJECT : Course Report - CS Desk Orientation No. 2

1. DTR was very favorably impressed by this course report and would like instructor personnel in all Schools to read it carefully.

2. The student comments repeat their appreciation of the "pace" and mention candor and "leveling with" enough to insist that we make an examination of the value of each hour of instruction, excising everything marginal, reiterative, poorly presented or drawn out; and most importantly, that we be completely frank and straightforward.
